5%GLYCOLIC ACID + ALOE VERA GEL SERUM

DESCRIPTION

Serum with 5% glycolic acid and 5% aloe vera, gel texture. The use of this blend of natural active ingredients provides the skin an enormous regenerating, moisturizing and antioxidant power. It significantly improves the appearance of damaged skin leaving it smooth and bright. Its constant use helps to reduce hyperpigmentation and the appearance of fine lines. It can be used for all skin types but it's high recommended for oily or acne-prone skin, as it also controls sebum production and removes excess shine without damaging the skin.
